VP 40 Reunion Group

The 15th bi-annual reunion was held in Pensacola, FL on Oct 8-12, 2014. There were 133 attendees, with 78 VP40 members. A very good turnout. There are pictures posted on our web site of the reunion. I am including a group picture for those of you that were not there or did not purchase one.

Hope to see you all again and others as well at the next one. I have posted some pictures on our web site www.vp40.com.

The 2016 Reunion will be at San Diego, CA.

Dates: start : Wednesday October 5, 2016

end : Sunday October 9, 2016.

Place: HOLIDAY INN BAYSIDE San Diego, CA.

YOU are responsible for making your hotel reservations. Use the CODE VP4 when registering for our group rate.

VP 40 ROSTER

Presently I have 300 Active members on the list. There is not a roster in this newsletter. You can find a current one on our web site. In addition I have the Dues list and there are some members who have NOT paid their 2014-2016 dues yet (\$20 bi-annually). They are overdue at this time for the 2014-2016 time period. You will have a notice in your package if this is the case, please send it to me and make the check payable to **VP40 Reunion Committee**. If you have paid your dues, I Thank you.

One of my goals is to increase the active membership and also increase attendance at reunions. We have picked up a few folks and sadly lost a few. I ask for your help. We all need to participate. If we all would just look at a cruisebook and try and locate 1 or 2 of the people you knew it would help.

I am requesting that you review the member roster attached and let me know of any changes, additions, deaths, etc. If you know of anyone who is eligible to join our group, get in touch with them or let me know and I will do it. Some of us are getting a little long in the tooth !!! So we need to keep this group alive and kicking.

I have had quite a few requests from the P3 era of VP40 who would like to join our group and come to the reunions. We took a vote at the 2014 reunion and it was decided to include the P3 era members at this time. I have posted this on our web site, but I have not had a lot of interest so far. If you know of anyone from the P3 ERA (1967-present) please let them know they are welcome to join our group. VP30 is training the P3V replacement, the P-8A (a converted 737 aircraft) The 1st P8's are in the fleet, VP40 should be getting them, replacing the P3v. So the P3v members will be as obsolete as we seaplane members are. I will try and have the VP40 P8A at our reunion.

MEMBER CHANGES I have been notified of since the last newsletter Feb /2016

Contacts

I have been in phone/email contact with former VP40 people who have NOT signed up for our group yet. I do not know why but perhaps someone else can convince them to join.

Some of the people I have been in contact with are the following

Tom (Mac) McClelland AX2 ---Mac has joined our group and will attend the upcoming reunion

George Cullison AX2—George so far is not interested in joining

Bill Grayson AO1—Bill lives in Mexico and will not join or attend the reunion

This is the LAST newsletter before our reunion this year. It contains updated reunion plans.

Included with this newsletter is the registration form for the reunion. Please fill it out and return it to me along with the money due for it. If you are not ready to commit yet, please let me know if you are a NO, YES or MAYBE as soon as possible. It makes it a lot easier to plan it.

You can make your hotel reservations NOW and remember to use the code **VP4** when doing so.

This newsletter and a history of the ones available and in the future, will be posted on our web site. Anyone that I have an email address for will receive newsletters via that route. (that will include any attachments i.e. Rosters, reunion information)as well. Anyone who I DONOT have an email address for will continue to receive the newsletters etc. via snailmail. This was voted on and approved at the last reunion business meeting. The mailing costs are expensive and we can save some cost using the internet.

I have some responses from members with corrected email addresses, phone #'s, addresses etc.

THANK YOU. The database has been corrected.

DO NOT FORGET OUR VP40 WEBSITE

www.vp40.com

I have created a web site for the VP40 seaplane era group AND ALL time frames now. I am modifying it to include the P3 people, and the P8a people when applicable. If anyone has photos stories etc, from the P3 era please send them to me and I will post them in our web site. I hope you will visit it. There are a lot of pictures, video, some cruise books (more to come), archive of past newsletters, web links, and some interesting reading. It will be updated every week or sooner if required . I am always looking for pictures, stories, video, etc. to publish in it. If you have anything to contribute do not hesitate send it to me and it will be included ASAP. WE do have a members only section, you MUST be a member of our group to access it. Once you log in you will have access to pages that are not available to the general public. These pages will contain information like the current active member roster, with address, phone etc. This is for security reasons, only VP40 members will be able to log into the site.

There is also a Ships Store where you can purchase caps, mugs, T Shirts etc. with VP40 markings. We found a local printing shop to make our T shirts and they are priced reasonable so we have a couple of selections. We are running this ourselves and we finally have some stock, so order and enjoy. If you want something different just ask and we will try and obtain it. Contact: ggfisk@vp40.com OR bobpolk@vp40.com.

This web site belongs to our group so the more we use it the better it will become. Any comments and suggestions are welcome. You can leave comments for others to enjoy and it is a great way for other members to communicate with you. If you need an email address, I can provide one for you from VP40 (i.e. ggfisk@vp40.com). I hope you will use and enjoy the site. So please if you have a current email address send it to me. If you want to receive a hard copy of the newsletters let me know, otherwise they will be posted on the website (and sent via email to you). In addition if anyone has pictures, video, stories, information, etc. they would like to share please send it to me, either digital or hard copy and I will post them in the web site. I will return your originals if needed.

As of 8/3/2016 we have had a total of 84,730 pages viewed , and 6,826 views of our web site in the last 30 days. It is now averaging about 228 per day and growing. I will keep adding content as often as I receive it.

CONGRATULATIONS, keep using it and I will keep updating it.

AGENT ORANGE

I have been in contact with members of MMA and VP50, VP48, VP47 on the subject of Agent Orange. The VA is still rejecting most claims from members of seaplane squadrons. Please help if you have filed or intend to file a claim with the VA for Agent Orange. There is some information about this and other matters on our web site. Have a look. I KNOW OF A FEW MEMBERS THAT HAVE HAD THEIR CLAIMS ACCEPTED RECENTLY. Contact Bob Polk, Mike Kane, Ken Colson for more details of their claims.

Unfortunately I am aware that more of our members are having Agent Orange and other health problems but the good news are they are filing for compensation. Above all **DO NOT GIVE UP**, if the VA request more info , provide it and they will eventually allow the disabilities.

CAVITE CITY ORPHAN FUND

We will have a presentation for the creation of a VP40 fund donation committee to provide clothing, shoes, money etc. for orphans in Cavite City, P.I. The poverty there is worse than when we were stationed there if you can imagine that. Please thank Jack and Joy Fisher, and Mike Kane for all their efforts to this great cause. There will be multiple feedings during the years ahead, so please join in the cause. There are some pictures of it on our web site. Please take a look.

2016-2018 dues

Semi-annual dues are up for payment starting NOW. If you have paid up please ignore this, but most of us HAVE NOT paid for them yet. I will accept payment at the reunion, if you are not attending please send me payment of \$20.

My address is
Guy Fisk
340 Lynn Cove Road
